

**TOOTHETTE**<sup>®</sup>  
*Oral Care*

## Q•Care<sup>®</sup> Rx Oral Cleansing and Suctioning Systems

with 0.12% CHG Oral Rinse and Thumb Port Tools

**NEW! Oral Check™ Compliance Tool (Reorder #6914)**

# Oral CHECK™

Oral Check™ is a visual reminder for staff to scan barcode on reverse of package and on CHG oral rinse bottle for greater compliance to your oral care protocol.

Q•Care<sup>®</sup> Oral Cleansing and Suctioning Systems are now available with 0.12% Chlorhexidine Gluconate (CHG) Oral Rinse and Thumb Port Tools that connect directly to your existing suction equipment

Convenient q2° or q4° packaging contains everything your patient needs for 24 hours of oral care. As always, our comprehensive, organized approach facilitates compliance to your protocol.

# Q•Care® Rx Oral Cleansing and Suctioning Systems with Thumb Port Tools

- **Now with 0.12% Chlorhexidine Gluconate (CHG) Oral Rinse!**
- **Timesaving design requires almost no set up.** Convenient package contains all components for oral care.
- **User-friendly thumb port provides easy suction control.**
- **Suction Toothbrush helps remove dental plaque, debris and oral secretions. Suction Swab helps remove debris and secretions between brushings.** Suction Swab mechanically cleans and refreshes with sodium bicarbonate, while stimulating oral tissue.
- **Soft-tipped Covered Yankauer helps remove debris and secretions.** When closed, exclusive retractable sleeve helps contain oral secretions and protects yankauer from environmental debris.
- **Soft, flexible Oropharyngeal Suction Catheter helps remove secretions** from the oropharyngeal area above the vocal cords.
- **No mixing, no mess burstable solution packets** premoisten tools with cleansing solution.
- **Mouth Moisturizer soothes and moisturizes lips and oral tissue with vitamin E and coconut oil.**

*Bold, easy instructions printed on every package!*

**NEW!** Space-saving Bedside Bracket keeps products at the bedside for visual reminder to provide oral care.

**NEW!** Length of Stay (LOS) Yankauer Holder mounts virtually anywhere—IV stands, walls, etc.—for easy access.
