

**COMFORT SHAMPOO CAP**  
RINSE-FREE SHAMPOO AND CONDITIONER

**There's never been an easier way to help your patients look and feel better.** Comfort Shampoo Cap cleans and softens hair without the mess and aggravation of traditional methods.

- **Maximum comfort, fabric-lined cap is premoistened with a gentle, rinse-free shampoo and conditioner.** Effectively removes EEG, gel, blood, iodine and more to leave hair clean and fresh.
- **Eliminates the need to move patients to running water.** No more sloppy rinsettes, bottled shampoos and conditioners.
- **The ultimate in nursing convenience!** Simply warm the cap in our commercial-grade microwave or warmer and it's ready for use. Entirely self-contained, it eliminates mess, cleanup and the need to change wet bed linens.
- **Enhances patient satisfaction.** Helps nurses provide a warm, soothing shampoo and improves the way patients feel.
- **Latex-free product; contains USP purified water.**

**Cleans and conditions hair in under 5 minutes!**

Just place the Comfort Shampoo Cap on your patient's head and gently massage. The cap's rinse-free shampoo and conditioner do the rest. It's the easiest, most soothing shampoo ever!
