

# Comfort Shield®

room temperature  
(without warming package)

- 1 Remove wet and soiled garment.
- 2 Remove excess fecal matter using briefs, chux, underpad, Comfort Shield washcloth or other appropriate method per hospital protocol.
- 3 Cleanse soiled area using a fresh washcloth. A barrier will be left on the skin. Use as often as necessary, especially if prolonged exposure to wetness is anticipated.

See product package for complete information.

**WARNING:** For external perineal use only. Avoid contact with the eyes. If condition worsens, or does not improve within 7 days, consult a doctor. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.
